

No. 15012/4/2012-PC-I
Government of India
Ministry of Chemicals & Fertilizers
Department of Chemicals & Petrochemicals

Shastri Bhawan, New Delhi
Dated: 25th March, 2013

To
CSIR-Central Electronics Engineering Research Institute,
CSIR Madras Complex, P.O. - T.T.T.I., Taramani,
Chennai-600 113 (Tamilnadu).

Subject: 3rd National Awards for Technology Innovation in various fields of
Petrochemicals and Downstream Plastics Processing Industry.

Dear Sir/ Madam,

As you are aware, the National Policy on Petrochemicals was announced by the Department of Chemicals & Petrochemicals, Ministry of Chemicals & Fertilizers, Government of India in April 2007. The policy, inter-alia, seeks to promote research and development in the Plastics Sector. Towards furtherance of this objective, the National Awards for Technology Innovation were institutionalized with a view to incentivize meritorious innovations and inventions in various fields of Petrochemicals and Downstream Plastics Processing Industry. Accordingly, nominations were invited in various fields of polymers for 3rd National Awards for Technology innovation for the year 2012-13.

We are pleased to inform you that your nomination entitled "On-line Sorting of Consumer Plastic Groups through Near Infrared Spectroscopy" under the category of Innovation in Polymer Waste Management & Recycling Technology and subcategory of Academics and R&D Institution has been selected as RUNNER UP for 3rd National Awards for Technology Innovation.

A function will be organized shortly to present the award to the awardees and the details of the award function will be intimated to you in due course.

Please acknowledge the receipt of this letter and forward details of persons / associates with their contact details.

Yours faithfully,

(Sanjeev Kumar)
Deputy Secretary to the Government of India
